 particularly to the following Rules of the House
 governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received
 by the House after the first two weeks of each Session
 nor may any Private Bill be presented to the House
 after the first three weeks of each Session; nor may
 any report of any Standing or Select Committee upon
 a Private Bill be received after the first six weeks of
 each Session; and no motion for the general suspension
 or modification of this Rule shall be entertained by
 the House unless after reference made thereof, at a
 previous sitting of the House, to the several Standing
 Committees charged with the consideration of Private
 Bills upon Report submitted to two or more of such
 committees.

64.—(1) Any person desiring to obtain a Private
 Bill shall deposit with the Clerk of the House at least
 eight (8) days before the meeting of the House a copy
 of such Bill together with a fee of \$150, and if such
 Bill is not deposited by that time the applicant shall
 pay \$10 for each and every day which intervenes
 between the said eighth day and the date of the filing
 of the Bill.

(2) After the first reading of the Bill and before
 its consideration by the Committee to which it is
 referred, the applicant in every case shall pay the
 cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and
